

## **Welcome to the May edition of Burmese Bulletin.**

It is our intention to produce this bulletin every two months and there should have been an edition in March. Unfortunately this did not happen and for this we apologise. We shall endeavour to not let this happen again.

- In this edition you will find a summary of the two meetings of the society held so far this year one in January and the other in March.
- The Members Cat/Kitten of the year results and the Breeder of the Year points up to and including the Newcastle and Hunter Valley Show.
- A summary of each of the shows held this year with a full wrap up of the Burmese show including pictures.

## **General Meetings of the Society**

A meeting was held on Friday 25th of January 2008. The account balances at this time were \$515.74 in the Westpac cheque account and \$6576.02 in the Max-I high interest account. At this meeting the Burmese pointscore and the award for breeder of the year were discussed and two changes were made.

1. A cat/kitten may now qualify for the awards by attaining a NSWCFCA top 5 placing. All other conditions of the awards remain the same.

The point accumulation scheme is:

- A Challenge/Best in section 1 point
- A Best of Breed 1 point
- A Top 5 Placing 1 point
- A Best in Group 1 point

Points accumulate from January to December and are awarded at shows held in NSW and recognised by the NSWCFCA.

To be eligible for an award in a category a Cat/Kitten must

- have been awarded at least one(1) point for a Best of Breed **or at least one(1) point for a NSWCFCA top 5 placing**

- have accumulated at least 10 points

in that category during the period in which the cat/kitten is eligible for that award.

2. Points toward the Breeder of the Year award can now **only be counted from the Cats/Kittens which are eligible for the Burmese awards**. Therefore to be counted a Cat/Kitten must have

- been awarded at least one(1) point for a Best of Breed or at least one (1) point for a NSWCFCA top 5 placing.
- accumulated at least 10 points

A second meeting was held on Friday 14th of March 2008. The account balances at this time were \$2432.94 in the Westpac cheque account and \$8447.85 in the Max-I high interest account. There was a wrap up of the 2008 championship show. The feeling was that the show ran quite well and had proved to be a good public attraction with good public attendance. The Manly Daily again proved to give great publicity and it was suggested that

approach be made re instigating the Manly Daily Trophy.

## **Show Results**

We have included in this edition of the Bulletin all the show results upto and including the Newcastle and Hunter Valley show. This is a return to the presentation of show results as they were in Burmese Cat Chat.

For each show we will list

- The judge for each ring
- The Best of Breed for each ring
- All top 5 placed burmese for each ring

An exception to this will be the Burmese show which will be presented in its entirety.

We hope this will keep members fully informed and better able to follow results throughout the year.

The full results of this years Burmese show are in this bulletin with some great photos.

Congratulations to Bridgette Barbara whose male lilac Moravanka Pucici was supreme exhibit.

The judges at the this years show were asked if they would like to write a short summary of their day and Val Cashman has been kind enough to respond. A copy of her letter is included in this bulletin. We would like to thank her for her participation in the show and taking time to let us know what she thought of the cats and kittens she judged.

## **Members Burmese Cat/Kitten of the Year 2008**

We have included the progress points for Cats/Kittens of the year and the Breeder of the Year in this bulletin.

It was decided at the meeting in January that I would do the pointscore for the year so if there are any problems please contact me as soon as possible. Ph (02) 9644 6626 email norton.burmese@hotmail.com

The changes to the system for accumulation of points as stated above apply to the results for 2008.

## **e-mail**

We have found that using e-mail to send the Bulletin has been a more cost effective and simpler way to reach members. A suggestion has been made that we send our notice of meeting and minutes (to those who receive them) via e-mail as well.

For those who do not have e-mail or would prefer a mailed copy we would of course continue to mail the information. It is intended to include on the membership renewals for 2008/2009 an option for members to receive information from the society via e-mail.

Please take time to consider this.

We thank those members which have taken time to give us their thoughts on the Bulletin. We hope that it continues to keep members up to date with the shows and the activities of our society.

Our next bulletin will be in July and again we would be grateful for any suggestions you may have regarding the Bulletin.

Good luck to everyone for the coming shows.

Sue Wyman

## MEMBERS BURMESE CAT/KITTEN OF THE YEAR 2008 PROGRESS POINT SCORE

up to and including Newcastle and Hunter Valley Show but not including the Federal Kitten show for female kittens.

The Burmese Cat Society of Australasia Inc.  
c/ The Show Secretary,  
Mr. Ian Dunn  
PO Box 195,  
Bexley, NSW 2207  
26<sup>th</sup> February 2008.

Dear Ian and Members,

Thank you for inviting me to judge at your 40<sup>th</sup> Anniversary Show. I thoroughly enjoyed my assignment and your hospitality. Big thanks to Chris for providing transport for Kay and I to and from the airport and for joining us for our evening meal the night before the show.

The accommodation was very good and I loved the tranquil bushland setting.

The cats and kittens were a pleasure to handle and the quality was excellent, especially amongst the kittens, - even the tiny baby kittens excelled and held their own against their older competitors.

It was lovely to see the Golden Oldies and amazing how they seemed to enjoy being shown. They were a credit to their owners and I do wish more shows would encourage older cats to take part. It is a great way for pet owners to continue showing, especially at such a prestigious event. It reminded me of a delightful elderly gentleman whose very old Siamese spay won Best In Show under me in New Zealand some time ago. He was so proud of his beautiful lady!

I adored my Best Cat In Show and she was both a credit to her breeder and her doting owner. All of the exhibits in my Overall Top 10 thoroughly deserved their awards!

Sincerely,

Valerie Cashman
